Dear Suhas Aggarwal,

Thank you for your submission to HCOMP 2012. We are happy to inform you that your paper, #2 - CAPTCHAs with a Purpose, is accepted for presentation as a poster.

Every paper has received at least two reviews, and usually three reviews. Our goal is to ensure a high quality program that represents ideas from a variety of perspectives on Human Computation.

Please log into your CMT account at <https://cmt.research.microsoft.com/HCOMP2012/> to see the reviews for your submission. Please pay careful attention to the reviewers' comments as you revise your paper to make it even better.

Formatting and submission instructions for the camera-ready version of your paper will be sent in a separate email soon. The camera-ready version of your paper is due no later than Wednesday May 16, 2012.

We look forward to seeing you at HCOMP 2012 in Toronto!

Sincerely,

The HCOMP 2012 Organizing Committee
